

bibliotheca mediaCase™ range

Our full range of cases

bibliotheca provide a wide range of secure cases that offer a cost-effective solution for the protection of your AV material. Consisting of specialised media cases that can secure single or multiple CDs, DVDs, Play-Aways & Blu-rays; the mediaCase™ solution enables you to securely display your AV stock on shelves, giving your library users full access to your media collection, while ensuring an easier handling and issuing process.

bibliotheca® + 3M

the best of both worlds
