

bibliotheca RFID workstation™ print

Fast, flexible conversion to RFID

Empower your library with one of the fastest print conversion systems in the market. Save time and money with the flexibility to print both the barcode and library logo on an RFID tag right in the library. Experience the ability to weed your library's collection with a pre-programmed weed list that will help your library speed up conversion time. And, with an intuitive interface and user friendly setup, your staff will quickly learn how to convert tags and begin realizing the benefits of RFID immediately.
